- To those who want our assistance, we will provide reader's advisory service and do our best to provide you materials that reflect your interests and information needs. So that we may serve you better, we will keep a record of your reading history.
- We will provide your material on a monthly schedule and will attempt to notify you if we must modify the schedule. We will contact you by phone 1-2 days in advance of delivery date to confirm availability.
- This service is reserved for those with significant barriers to accessing library service within the service area. When appropriate, we may reassess your eligibility for this service and may suggest other service options.
- Newer materials (within first publication year) must be returned after one month. You may place a request for items you would like to borrow again in the future.
- Materials will not be delivered to or picked up from an unattended porch or door to prevent loss or damage.
- Damaged or lost materials may result in account charges and/or temporary suspension of service.
- Please ready materials for pickup before your delivery time. Please be punctual or have someone home to receive delivery or to return materials listed on your account. If you are unable to confirm the delivery/return date, we will work with you to determine the next available date.
- We value a safe and healthy work environment for our staff and volunteers, and as such, we have the option to deliver and pickup items/materials from the doorway of the residence and not enter the home.
- A full description of the service and policy can be found in your delivery bag or provided upon request.
